

# Airport Transfers

## Our airport transfers are handled by EZ Shuttle.

**EZ Shuttle currently provides an airport shuttle & door to door transfer service in Johannesburg, Pretoria, Durban, Cape Town, Port Elizabeth, Nelspruit/Mbombela and George which provide you with continuity when traveling within South Africa.**

We are the only airport shuttle & door to door transfer provider in South Africa with full online booking capability, providing you with real-time e-mail and SMS confirmations of your order which ensures that your booking experience is seamless and hassle-free.

EZ Shuttle was launched in 2006 and has completed more than one million transfers safely for passengers from all over the world. Our list of clients include some of the largest corporates in South Africa, Local and International governmental agencies and departments, and, of course, people like you.

EZ Shuttle drivers all have a minimum of two years experience in the field of chauffeur driving, and undergo thorough extensive in-house training.

When travelling with EZ Shuttle, you can be sure your driver knows his way around, is skilled in defensive driving techniques and always prioritises your safety.

We believe in compensating our drivers well for their dedication to our company and our passengers. This is the very reason we attract the best in the industry.

It is no wonder that all EZ Shuttle drivers are known, not only for their black and bright green uniforms, but also for their friendliness, because being valued by your team and clients is sure to put a smile on anyone's face!
