SIGN THE PETITION

Right now, the high volumes of meat and animal products being consumed around the world are having devastating effects on animals, our health, and the environment.
I want local authorities to better use public money to #MakeFoodKinder by committing to fewer animal products, more plant-based options, and where animal products are used – for these to come from higher welfare standards.

SURNAME*, FIRST NAME	EMAIL ADDRESS*	POSTCODE*	LOCAL AUTHORITY*	CONTACT**

We would like to contact you by email in the future with updates on this campaign, our vital fundraising appeals and information on how your support saves animals' lives.

**YES, I am happy to receive emails from FOUR PAWS UK (you can unsubscribe at any time).

Thank you for taking part to Make Food Kinder! When you have collected your petition signatures, please send this sheet to: FOUR PAWS UK, 7-14 Great Dover Street, London SE1 4YR

*Mandatory information required for online petition registration. Please note: once you are signed up to the online petition, you will receive a confirmation email from FOUR PAWS UK.
