Hey Animal Heroes!

There's an old saying that goes - "There are big ships and small ships, but the best ship of all is friendship".

And we couldn't agree more!

At the end of this month, on the 30th of July we celebrate International Day of Friendship.

A FRIEND IS...

someone who is there for you no matter what, someone who listens and understands. Someone who you can have fun with, spend time with, and talk to and it's never boring with them around.

Who can be friends?

Carla the cat wants to know - can they be friends?

That's right Carla! Anyone can be friends - we can even be friends with our pets.

Let's meet Carla's friends....

LEROY THE LION

Carla and Leroy love playing chase and riding their bikes. They are actually cousins and also live one road from each other.

PAULA THE PIG

Both Paula and Carla love the colour pink. They always have lots of fun learning about animals and doing their homework together.

DAN-DAN THE DOG

Carla and Dan-Dan like watching TV together and have been in the same class since Grade R.

ESHAAN THE ELEPHANT

His favourite animal is an elephant, and Carla loves how he dresses up as an ellie and flaps his ears. They laugh a lot when they are together.

Tigers are just grrreat!

29 July is International Tiger Day – let's celebrate the striped king of the jungle – count how many you can find.

Take the Tiger Day Promise:

I

promise to only see tigers

in the wild, or in a True Sanctuary

where the animals are

not forced to have babies or

pose for photos where you

can't touch the animals and

where the animals are not sold

Remember Animal Heroes:

Tigers should not be kept in circuses or perform in zoos. Tigers are not pets.

Meet tiger Caruso

Quick facts:

- Caruso was born in a German safari park and traded to a circus.
- He has been under FOUR PAWS care since 2014.
- Caruso enjoys watching his neighbours or resting comfortably at one of his favourite spots under the tree in his enclosure

Meet Caruso, he's one very lucky tiger! When FOUR PAWS first found Caruso he was confined to a small cage in inappropriate keeping conditions and under inadequate care. Luckily for Caruso, in 2014 FOUR PAWS took over the rescue centre where he was living, improved the keeping conditions and renamed it FELIDA Big Cat Sanctuary.

In March 2019 Caruso was ready to move from there to his forever home at LIONSROCK Big Cat Sanctuary in South Africa.

Did you know?

Most tigers love water and are not only excellent swimmers but also like to spend time in pools and water holes to cool down.
