

2.2 Animal 'talk' and feelings

Are you listening?

I'm scared.

Please open the door for me.
I need to go outside.

Let's play.

I'm happy.

I'm annoyed.
Leave me alone.

Do not come any closer – this bone is mine.

Please fill my water bowl. I'm thirsty.

I'm so happy to see you.

I'm scared.
