

Conference and Events

LIONSROCK Big Cat Sanctuary was established by FOUR PAWS, the global animal welfare organisation for animals under direct human influence, which reveals suffering, rescues animals in need, and protects them. Our vision is a world where humans treat animals with respect, empathy, and understanding.

Our Sanctuary creates a safe forever home for over 100 Big Cats and raises awareness about the ethical and holistic treatment of wild animals in captivity. This pristine paradise, nestled in the valley below our iconic LIONSROCK, provides a beautiful, species-appropriate home for our animals. As a guest, you will gain in-depth knowledge about our Big Cats and their stories as well as overall education on the plight of Africa's Big Cats that are under duress globally.

Big Cat Sanctuary

The experience

A unique experience in Animal Welfare

LIONSROCK Big Cat Sanctuary is less than a 4-hour drive from Johannesburg, just outside of the picturesque town of Bethlehem in the Free State. Home to over 100 Big Cats and the playground of a wide variety of free-roaming wildlife as well as a birding enthusiast's dream, the Sanctuary is a refuge and haven for all. LIONSROCK, with so much to explore and so much to offer, falls under the umbrella of the global FOUR PAWS Organisation.

LIONSROCK school programme is an educational outing aimed at creating and providing enriching learning experiences for learners at all school levels. It has been designed to provide educational support through animal welfare and environmental sustainability customised EcoRoute Tours.

Learners will gain deeper insight and appreciation of animal welfare as we take you through a brief experience of our true sanctuary. From the design of the enclosures, coordination of animal caretaking activities through to the daily management of the sanctuary and the sanctuary support services, there is everything to learn about animal welfare principles, practices and management in a real sanctuary. Also learn about our animals, their stories; individually and collectively, rescue missions, and their "happily ever after" life at their forever home,

We hope you enjoy your time with us.

At LIONSROCK Big Cat Sanctuary - A FOUR PAWS initiative. We are a community of people who care about animals, health and the environment. We offer a 70% vegetarian menu that features delicious and nutritious dishes made with fresh and organic ingredients. **We also have a selection of vegan and gluten-free options for those who prefer them. Our vegetarian restaurant policy is not only good for our customers, but also for the animals we love and protect.** By reducing our consumption of animal products, we help prevent animal suffering, reduce greenhouse gas emissions and conserve natural resources. We also support local and ethical farmers who share our vision of a more humane and sustainable food system. We invite you to join us in our restaurant policy and enjoy our food and service. **We are happy to answer any questions you may have about our menu or our work as an animal welfare organization.**

This is LIONSROCK

To fully appreciate LIONSROCK and all that it offers, a recommended two night stay and two day conference would be the unforgettable journey of learning, exploring, adventuring and discovering the world of animal welfare through the stories of our rescued big cats. When visiting LIONSROCK Big Cat Sanctuary you have chosen an ethical destination and will be supporting a unique animal welfare project.

The Sanctuary is predominantly a network of enclosures designed in paw-print formations. Each enclosure has a "house" for protection from the elements, which also allows closer (contactless) monitoring of our Big Cats.

The bridge and platform allow you a bird's-eye view of the Sanctuary to survey and appreciate the magnitude of LIONSROCK. It also gives you insight into understanding any subtle changes that may occur with the pride or even just the environment overall.

LIONSROCK is one of only five true Sanctuaries in the country and is unique in so many ways. You will meet our dynamic team who have dedicated their lives to this field. You will assist and learn first-hand from our resident experts about pressing animal-welfare issues and what can be done to resolve them.

WELCOME & CHECK-IN

You will receive a brief introduction at our friendly reception desk before checking in to your home away from home for the next few days.

Daily check-in: 14h00 (Excludes lunch, however dinner is included)

Daily check-out: 09h30 (Includes breakfast however lunch is not included)

Welcome to order off the menu for your own account

Please request early check-in or late check-out before arrival.

ACCOMMODATION

Please advise on your group dynamics, and we will accommodate your group in double / twin or single rooms as required.

For family groups: we have 1 x 4 sleeper and 1 x 6 sleeper cabins.

DINING

The restaurant opens at 08h00 daily and the last dinner orders are taken by 19h00 every evening.

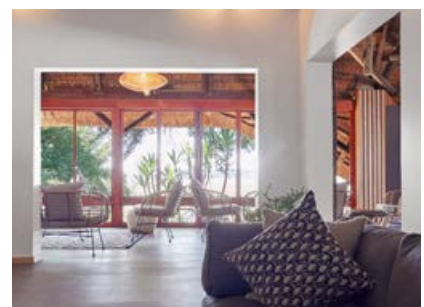

Feel free to pre-order your meals during the course of the day.

We try to make compassionate food choices and hope you enjoy our Meatless Mondays.

Our goal remains to reduce animal-based products, refine our food options and replace them with plant-based where possible.

ROOM SERVICE

Available daily, please chat with our friendly reception staff or dial "100" from your room phone for service.

To #TravelKind means to visit destinations where no animal is exploited or harmed.

This means avoiding poorly kept zoos or any other captive facilities that keep animals in cruel conditions that are not species appropriate.

Support a school visit

Did you know that LIONSROCK hosts on average over 200 pupils / students per month on Sanctuary Tours.

Learn with us and gain deeper insight and appreciation of animal welfare as we take you through a brief experience of our true sanctuary. From the design of the enclosures, coordination of animal caretaking activities through to the daily management of the sanctuary and the sanctuary support services, there is everything to learn about animal welfare principles, practices and management in a real sanctuary. Also learn about our animals, their stories; individually and collectively, rescue missions, and their “happily ever after” life at their forever home, LIONSROCK.

TOUR THEMES AIMED AT INSPIRING LEARNERS TO BECOME ANIMAL WELFARE AMBASSADORS

- Understand animals as emotional beings; capable of fear, stress, pleasure, joy and pain.
- Learn how we create a species-appropriate environment for our rescued cats to stimulate natural behaviors.
- Separate true sanctuaries from pseudo-sanctuaries.
- Appreciate animal welfare as a collective moral and ethical responsibility.
- Contribute towards a world where people treat animals with respect, empathy and understanding.

You can support this Regenerative Tourism initiative by adding R110 toward a school group. (R110 will allow for 2 learners - each to enjoy a meal and a Guided Tour in an open game viewer).
